Located in a border area between Benalmádena and Torremolinos, you can easily reach both the beautiful La Carihuella beach with its seafront promenade and the famous Puerto Marina, both just a 5-minute walk away. The development will be surrounded by all the city's services and leisure options: public transport, parks, bars, restaurants, supermarkets, shops, shopping centers, and much more, all just steps away. Everything you need to make your daily life or holiday stay extremely comfortable. The complex will feature a variety of luxury community amenities: a large swimming pool, gardens, gym area, and elevators. Elegant apartments and penthouses with 2 and 3 bedrooms, private pools, spacious terraces, and wonderful sea views. The ground-floor residences redefine contemporary luxury. These unique homes open onto large private patios, designed as a natural extension of the interior space, creating a perfect balance between elegance and functionality. Every detail has been carefully considered to provide a private, serene, and sophisticated environment. The apartments have been designed to remain connected to natural light and the surroundings.
